

FLAVOUR SA

What you have to do and how do you get there?

Ray Khabbaz is one of the former Directors of Copperpot Dips and Pate. Having no previous experience in the food industry, Ray joined Copperpot in 2001 and worked with fellow Director, Michael Demetriou to build up what was a family owned small business into one of South Australia's leading food businesses. In April 2007 Copperpot was bought by Goodman Fielder Home Ingredients.

What was their plan, what were their challenges and how did they do it?

Please join us for an informal, fascinating presentation from Ray followed by networking and refreshments.
