

Request for Tender

The Willunga Farmers Market Committee is seeking submissions from interested parties for the operation of the Market's breakfast stall.

The Market is a weekly, non-profit community organisation, specialising in food produced and grown on the Fleurieu Peninsula.

The breakfast stall is a fundraiser for the market and as such is the only stall providing breakfast on site.

Tenders close on February 7, 2003.

For further information please contact the Market Office on 8556 4297.
